PRESS KIT 2026

ALEX AZZENA

Same style.
Never the same night.

Alex Azzena started in Milan at sixteen and has been behind the decks for over thirteen years. Since 2016 he has been based in Spain, playing clubs, rooftops, beach clubs and the underground.

His sound moves between house and tech house, with a UK groove underneath. He reads the room and goes with it. The style stays; the night is never the same.

He has played for Netflix Spain and Latin America and closed Hashtag Music Festival in Italy. He is resident at CrowsNest Club, hosts REC and unboxing, and founded LHMT.

What he brings to a night.

“Every room is different. I bring my sound; the room decides where it goes.”

ALEX AZZENA · NOTE 01

READS THE ROOM

He arrives with his sound and lets the room set the direction. The style stays; the night is never the same.

THIRTEEN YEARS IN THE BOOTH

From Milan, at sixteen, to clubs, rooftops, beach clubs and the underground in Italy and Spain. Experience that shows in how a night flows.

ONE STYLE, EVERY ROOM

Club nights, open air, underground rooms, festivals, private and brand events. The setting changes; the standard doesn’t.

INTERNATIONAL BY NATURE

Italian, based in Spain and used to crowds from all over Europe. A third of his audience follows him in English or Italian.

BUILDS NIGHTS, NOT JUST SETS

He creates and hosts his own nights and founded LHMT. He knows a night is a team: sound, light, door, bar.

IMAGE AND PRESENCE

A clear visual identity, a professional shoot and active channels. When he plays, the night is also seen online.
